### Home- School Contract

The home-school contract has been revised and updated this year. This agreement summarises what you can expect from the school and also what we expect from parents/carers and children. The contract, which is basic good practice, has been stuck into each child's reading record book and is shown below.

Education is a partnership. When staff, pupils and parents work together we know that children will achieve more. This agreement sets out some of the ways in which we can all play our part.

#### The school will:-

- Provide a challenging and supportive environment in which all children can progress
- Provide an orderly, safe place to work and play
- Expect pupils to wear full school uniform
- Set regular homework tasks
- Actively encourage high levels of attendance
- Respond to parents/carers' enquiries promptly and fairly.

#### Parents/Carers will:-

- Ensure that children attend school regularly and on time, informing the school of any reason for absence
- Ensure that children wear full school uniform
- Support the school's behaviour policy and strategies
- Actively encourage children to complete homework tasks, including regular home reading.
- Bring any concerns to the attention of the school in a reasonable manner, reframing from the use of foul language or aggressive and confrontational behaviour.

#### Children will:-

- Attend school regularly and on time (8.45 am start)
- Wear full school uniform each day
- Follow the agreed rules
- Be positive in school and take advantage of support provided
- Complete homework, including reading regularly at home
- Tell a teacher or other member of staff any worries they may have
