Share your views on a range of important policies

I'm really keen to draw your attention to the consultations my department has launched in recent weeks and invite you to share your views.

- [Introducing minimum service levels in education](#) – help us design a policy to protect children and young people's education whilst balancing an individual's right to strike. This consultation is open until **30 January**.
- [Gender questioning guidance](#) – share your views on the draft guidance for schools and colleges on how best to support pupils questioning their gender in schools and colleges. The consultation is open until **12 March**.
- [Advanced British Standard](#) – we are seeking views on the design and implementation of the landmark qualification framework, as well as how it will be assessed and awarded. The consultation is open until **20 March**.

I want to hear from you as well as parents, students, governors, trustees and employers in all of these consultations, so I would be grateful if you could share the links widely.

Yours sincerely,

The Rt Hon Gillian Keegan MP

Secretary of State for Education
