Reminders

Friday 29/11/19 is a Teacher Training Day
The school must have 5 training days a year.
This is the second.

The school will be **OPEN AS USUAL** on
Polling Day (12/12/19).

Cold weather

As the weather begins to get cooler, we request that parents and carers use the gritted walkways whilst on the school site.

We look forward to seeing many parents and carers at the 8 Christmas performances scheduled this year. This means that every child at Smith's Wood will have the opportunity to perform at some point during the final weeks of term.

At Smith's Wood, we do not charge for entrance to Christmas performances. Entrance is, however, strictly by ticket only. This is to ensure that the numbers in the halls are manageable and safe. If you arrive without a ticket, distribution lists will be checked to ensure you have been given a ticket. This may take time and you may be asked to allow other visitors to pass you whilst this takes place. This can be avoided if you **BRING YOUR TICKET**.
