

SMITH'S WOOD PRIMARY 'SPRING TERM 2 SNAPSHOT'

Thank you to all pupils, parents and carers for the support they have shown the school and their child's learning during the last 1/2 term

THANK YOU FROM ALL AT SMITH'S WOOD

COVID-19 TESTING & REPORTING OVER EASTER

This half term, since the return to school for all pupils on March 8th has been a challenging one for all of us, with a rise in cases seen across the school and the community. In spite of these challenges, pupils, staff and parents have responded to the different situations in a positive and supportive way and we would like to thank all parents and carers for the flexibility they have shown when the need to switch to remote learning has arisen. We are aware that it has been a turbulent time for our families, however we are hopeful that moving forward, we will be able to have a settled Summer term. The last half term has been a reminder about the impact that the current pandemic can have on pupils' education and please rest assured, that as we return after Easter, staff will be working as hard as ever to ensure that your children continue to receive a top quality education.

SMITH'S WOOD PRIMARY ACADEMY

NOSE DAY 2021

In order to celebrate Red Nose day, and raise money for charity, at Smith's Wood Primary, we waited until the school was fully open to all pupils and held our red nose day on Wednesday 31st March., with the theme of 'My Hero'. Following generous donations, from our staff, parents and pupils, we raised **£350** this year. Some of our celebratory costumes are shown below.

Pupils from Nursery, up to Year 6 were invited to celebrate the start of the Easter holidays by decorating an egg for the last day of term. There were many creative entries and each class bubble voted on a winner for their class. Some of our amazing, creative entries are shown below.

School reopens for all pupils on Monday 19th April
Wishing you all a Happy Easter
