

SMITH'S WOOD PRIMARY

'SUMMER TERM 2 SNAPSHOT'

We hope you all have a fantastic summer holidays

END OF YEAR EXPERIENCES

Having not been able to take our pupils on any trips last year, we were keen this year to allow pupils the opportunity to celebrate the end of another turbulent year with a trip, or tailored experience in school. Staff organised some exciting experiences for our pupils, and using the school minibuses, we were able to take our pupils out and about safely.

Please see a collection of photos below, celebrating the day out, or experience, for each year group.

Covid Update

The current guidance states that from August 16th, pupils under the age of 18 will not have to self-isolate if they are identified as a close contact. They will only have to isolate if they test positive themselves, with a PCR test. This will mean that we are finally at the stage where Covid should no longer close any bubbles, or affect pupils' education.

Please take care over the summer holidays .

School reopens for all pupils on Monday 6th September
