ROWING EVENT

Congratulations to our rowing teams who competed fantastically at the recent North Solihull event. After weeks of training, the boys 'A' team won their group, qualifying for the area event. In the girls section, the Smith's Wood 'A' team won their group, with the Smith's Wood 'B' team also qualifying for the area event.

Smith's Wood Primary has a long tradition in Concept 2 rowing, regularly competing at regional level.

WINTER WEATHER

When temperatures fall below zero, the main walkways and steps will be gritted to help ensure the safety of visitors and children. Please stick to the walkways; it is not possible to grit the entire playground. Please ensure that younger pre-school pupils are directly supervised.

In the event of heavy snowfall, every effort will be made to keep the school open.

If it is not possible to open, school closures will be announced **on the school website and via the school text service**. Please ensure that your mobile details are up to date in the main office if you have changed your number.

ZERO TOLERANCE

Two parents have been banned from the school site this term for unacceptable behaviour.

Where a parent, carer or visitor is repeatedly abusive or confrontational, the school governors reserve the right to ban individuals for extended periods of time. This would include all class assemblies, performances, sports days etc. Where necessary, incidents are reported to the Police.

To avoid this issue, we urge all adults to exhibit reasonable behaviour on the school site. Individuals who are unable to contain their behaviour are advised to put their concerns in writing to the school, to avoid confronting staff.

A response will always be made within 24 hours.
