17 March 2016

New Nursery Building

We are proud to announce that Smith's Wood Primary Academy has been granted Planning Consent for the construction of a new Nursery for children aged 3-4 and this is to be on the site of the present Caretakers bungalow, which is to be demolished.

We have appointed Wodehouse Ltd to construct the building and they will be making a start from Monday 21 March. It is expected that work will last for about 15 weeks and the working day will be typically between 7.30 am to 5.00 pm.

The builder is to use the access gates in Eagle Grove and has been asked to keep disruption to a minimum. There will necessarily be works to be carried out close to the School in the road from time to time to connect new gas and electricity.

The nature of the building does not include construction work which is exceptionally noisy but there will be times when deliveries will be required for concrete etc. All traffic movements on and off the site will be carefully controlled to safeguard movement in the paths and road.

The school will be kept informed of progress by the builder. Please do not hesitate to contact The School Business Manager Mrs Volante on 0121 779 8050 if you have any concerns or require additional information.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J Talbot', with a long horizontal flourish extending to the right.

Mr J Talbot
