

Cycle Confidence Training

Solihull Council are hosting 'Bikeability Level 2' sessions this summer for children in Year 5 and above. These sessions will take place over 3 consecutive days and children must attend all sessions to complete the course.

Most children in Solihull schools will be offered this training in Year 5. This summer course is aimed at providing training for children who have missed their school session or have not been offered at their school.

- Identify and respond to hazards
- Start and stop on-road journeys
- Maintain suitable riding positions
- Comply with signals, signs and road markings
- Communicate with other road users
- Negotiate junctions
